

WEEKLY PROJECT UPDATE – April 19, 2023

<p>Norwood Rd</p>	<p>A private developer is widening Norwood Rd in conjunction with the large residential Autumn Sunrise Subdivision south of Norwood Rd west of Interstate 5. The contractor is building road base, and curbs this week. The developer is planning to pave Norwood Road next week (weather permitting). Expect delays as two-way traffic is flagged through a single lane for the next couple of weeks, and especially during paving.</p>
<p>Tualatin- Sherwood Rd and Teton Ave</p>	<p>Washington County's contractor is building an additional travel lane and pathways along Tualatin-Sherwood Rd from Teton Ave west into Sherwood. The traffic signal at the Tualatin-Sherwood / 124th Ave intersection will be shut down at night this week as the contractor activates a temporary signal for the intersection to be rebuilt. Traffic delays are likely. Contractors for utility companies (PGE, NW Natural, Comcast, etc.) are working to make way for the Road construction. More information is on the Washington County website at Tualatin-Sherwood Road (Langer Farms Parkway to Teton Avenue) Washington County, OR (washingtoncountyor.gov) and Road closure / traffic information at Road Closures & Traffic Advisories WC-ROADS</p>
<p>Boones Ferry Rd from Blake/Alea to Ibach St</p>	<p>The new pathways have been poured and the newly-added bike lanes paved along Boones Ferry Rd from Sagert St to Ibach St. The contractor and PGE are installing lights along the pathway on the west side of Boones Ferry between Avery and Siletz. More information is at boonesferrycorridor.com. Pavement striping will be installed when we get dry weather.</p> <p>Phase 2 of this project – From Tualatin-Sherwood Rd to Nasoma St, and the Avery St and Iowa St intersections is coming this Summer.</p>
<p>Nyberg St and 65th Ave</p>	<p>A private developer is building the Tualatin River Trail connection behind the new apartment complex on the old RV Park property along Nyberg Lane near its intersection with Nyberg St and 65th Ave. The contractor plans to pave portions of Nyberg Lane in front of their development next week (weather permitting); expect delays during paving.</p>
<p>Martinazzi Ave at Mohawk St, Boones Ferry at 84th</p>	<p>The contractor is making final adjustments to the new flashing lights at the crosswalks across Boones Ferry near 84th and across Martinazzi at Mohawk. New pavement markings will be installed when we get dry weather.</p>

WEEKLY PROJECT UPDATE – April 19, 2023

<p>Hazelbrook Area</p>	<p>The contractor is activating the new flashing lights at the Tualatin Rd crosswalks this week. A brighter streetlight has been installed at the Hazelbrook/Jurgens intersection. This project will also stripe new bike lanes along the existing travel lanes along Jurgens Ave and a portion of Tualatin Rd this Spring/Summer (when the weather is dry enough for the striping to adhere well to the roadway).</p>
<p>Herman Rd</p>	<p>Utilities are working in Herman Rd to relocate their equipment to accommodate the upcoming road reconstruction on Herman Road between Tualatin Road and Teton Ave. Construction is planned this Summer on a city-funded project to widen and reconstruct Herman Rd from Tualatin Rd to Teton Ave, with construction planned from May through October.</p>
<p>65th Ave near Meridian Hospital</p>	<p>The contractor has poured new sidewalk, ramps, and a center island to add a crosswalk with flashing lights across 65th Ave near Meridian Park Hospital. They will be installing the flashing lights this week.</p>
<p>Tualatin-Sherwood Rd and Nyberg St from Martinazzi to I-5</p>	<p>Council has authorized a contractor to improve Tualatin-Sherwood Road and Nyberg St from downtown Tualatin to the I-5 interchange to make traffic flow more efficient through improved lane usage. Construction anticipated from May through October. Most of the construction will be done at night to minimize disruption of traffic. However, as traffic is so busy in this area, some additional delay is likely.</p>
